Dear Exhibitors,

It is with great pleasure that I invite you to the Discovery 2005 Low Vision Conference. The dates are November 3, 4, and 5, 2005. This is our seventh conference, and the conference will be at a new location this year: The Holiday Inn Mart Plaza in downtown Chicago. The hotel is located along the Chicago River in the Apparel Center next to the Merchandise Mart. This location and being a member of the Holiday Inn chain makes it one of the principal hotels in the city. The exhibit area will be in the ***** which is the largest room in the hotel. All exhibitors will be in one prominent area—easily accessible by all attendees.

We are also offering exhibitors the opportunity to purchase advertisement space in the participant program. Each attendee is given a program upon registration.

***** Is this true???? As in past years we are planning an evening reception with appetizers and a cash bar. Although the exhibits will not be open during that time, it should give you the opportunity to talk with participants and other exhibitors. More information will be given to you about the reception when you arrive at the conference.

In this packet you will find important information. I have listed them below for your convenience. Please read them carefully and feel free to contact me if you have any questions. I look forward to seeing all of you in November.

Sincerely,
